De concitatis quibusdam in Academia Racovien tumultibus tam ex D. T. huius,
quam etiam communi fama, non sine quadam molestia intellexi. Sicut vero mihi
pollicetur Rndissimum Racovien hoc factum minime probaturum esse, ita etiam au-
thoritate sua effecturum, ut dignitas Academiae, et existimatio sacra testis conser-
vetur. Ego non solum eandem bene usque in sacerdotibus, alijs operarijs nobis
istius Regni Episcopi suppeditandis non mihi licet exerceisse libenter agnosco, atque
quod die creperit, sed etiam pro mea erga ipsam propensioe ac studio, mihi quod
ad promovendum bonum ipsius, adeoque dignitate tuendam, et conservandam perhi-
nerint, officio meo defuturus non sum. Monitam tamen velim D. Tuam ut ceteros
quoque Collegas suos, ac eos quibus cura haec incumbit diligenter hocetetur, ut illud
maiorum suorum, tam in exercitandis ingenijs, quam praeclaris quibusque ac laudabili-

Inter alias curas, quae vobis nostra legationis nobis imponit, etiam praecipua sollicitudo est prospiciendi, qui et qualesque viri in Ecclesijs Regni Poloniae principales, verbum dei fidei populo proseruiant. In quo negotio, quantum laboris quoties suscipiamus, ipsi Rmi Domini Episcopi ipsius Provinciae Gnesensis abunde testari possunt, quos nunquam sollicitare et regere desistimus, quo eorum quilibet gregi sua fidei commisso, eiusmodi pastores semper prospiciat, qui ad quosvis insultos Luporum rapacium, & sustinendos, & reprimendos sint paratissimi. Quod cum nullis alijs viribus nisi solas nobis divini vera & vera Orthodoxae Ecclesiae predicatione ac defensione consentanea fieri liceat, ac aequum sit: Fiat in re, quorum aliorum iudicio sit potius standum quam vestri, qui omni genere disciplinarum eos, (quod vestri praecipue meritis est) quicunque in provincia ista illorum cause confluant, instructis & informatis. Nam et de doctrina ipsorum, & de probitate morum, qui in vestro aliuntur gremio, facile sufficiens fere potestis iudicium. Cum itaque nunc Ecclesiae Posnaniensis Cathedralis concionatore vero vos habetis, & consueto illic vestro probo Nicolao Grobomski. Viri sapientiam probo & docto de vestro Collegio, suscipiendum munus, predicatorium in Posnaniensi Ecclesia persuadere velim. Cum Academia nra Lomuscen nuper Thoma Dreznere J. V. Doctore et publico
Professore, viro in hoc scientia gne excellentissimo, inoperto obitu, magno cum nram do-
lore abata sit, vehementer solliciti sumus, de eo, qui in locum tanti viri sit successu-
graz facere non potuimus ac ne debuimus quidem quin ad Illust. D. Tuam, et inelytam

Ratione Professoris Iuris mittenti ad Vn̄m Zamosecē

Dum in ministerio Ecclē meae Michiū ac tpe digere, Vris Quādam D. Vra Cracuiam euocatus sum ut quid de retinendo in augusto Hippeo Zamosecē D. Andrea Petri- conio statuendum foret, consilium DD. Collegarum meorum perquirerem. (cum aut nunc à funditionibus Academicis feriemur, magna pars Professorum in sacris doctis Jūs extra Urbem agit. Ea vō res eiusmodi est, q̄ non nisi totiq̄ Vn̄is iudicio desin- ri p̄t. Vn̄tem porro geriarū tpe congregare q̄ leges Academicas Rectori non est integrum. Ne quid attinet, ita de ea re iudico. Dnē Petriconio nullū obstat im- pedimentum, quominus in Hippeo Zamosecē in erudienda pube laboraret. Fortasse ex petito ut dum Zamosecē moraret, p̄sens hic habeatur, liberaq̄ illi relinquatur po- testas ad nos quādoq̄ voluerit in suū locum redeundi. Detulimus illi re- centem Praefecturam Catuberni Iurē consultorū, quod munus Vicaria opera per le- ges n̄as explere vix potest. Aliquid vō cōn Statuta illi prmittere non est in pote- state Rectoris, sed ad totam Vn̄tem negotium hoc spectat. (Dum diuina volun- tate diem S. Alberti sacrum transgerimus p̄ me aut alium Rectorem qui in meum locum sufficietur res in Vniuersitate proponetur. Ego nihil pr̄ter sedulam ope- ram polliceri possum. D. Ratione Professorum Iuris & Logicarū Za- mosiecium mittendorum

Vris tuis humanissime ad me scriptis, mirifice sum recreatus quod ex illis, et an- num tuum erga Acadēm n̄am Zamosecē p̄sensissimū cognoscerem, et opus magnū de retinendo hic diuitius D. Andrea Petriconio conipem. Quorum utrumq̄ cum non potuerit mihi non esse gratissimū obsequetian nōip̄e me tibi q̄ fort ob- strictissimū pollicor. Et quoniam alioquin Acadē n̄a ad totā Vn̄tem v̄am, p̄o die S. Adalberto sacrum à te dilatum est, opus d̄ p̄m̄u eē existimaueris p̄ tpe destinatu, ite cum ad te dare, quibus à te quis ea in re sensus Vn̄is v̄a sit exquirere. Quobus Professoribus nunc indiget Acadē n̄a, Iurisperitentiā et Logicas. Pro Iurisperitentiā, cum et ipse D. Petriconius opam suā ro- ris post obitum Thomae Drexneri, non grauatin obtulerit, et tu nullum ipsi obstat impedimentum, quominus in Hippeo Zamosecē in erudienda pube labori- let, Vris tuis infirmaveris: ex n̄ ad nos, consecutus isthuc Doctoratus insignis

tanquam ex condito rediturum et hanc provinciam subiturum minime dubitamus:
 dummodo consensus sit quod optamus et speramus ad eam rem accesserit. Si tamen is
 iudicio vestro ad nos nullo pacto redire possit, quod nobis magnope dolendum foret tunc
 vel alium jurisprudentem Doctorem, qui facultatem hanc pro dignitate huius loci
 iudicare possit, ab alma Vultu vestra exposcimus. Pro Legia, cupimus ex gremio
 Academi vestrae talem virum ad nos mitti, qui et aetate, et eruditione, et studiorum usu,
 consequenter gravitate et auctoritate rei nostra hauriat. hic non interesse solum, sed
 etiam praesse aliquid possit. Satis enim quibusdam aduersis factum est, ut Academi
 nostra, obitu huiusmodi praestantissimorum virorum, paucis his annis valde orbata sit.
 hi qui tamen iam suppetunt, qui ob aetatem adhuc iuuenilem, nondum ad maturitatem
 ingeniorum, et rerum in ea gerendarum placae pervenerint. Id vero, quatenus Academi
 demum nostra intereat, facile quisque vestrum pro suo perspicacissimo iudicio concurre
 poterit. Quod de D. Petricomus, pro suo in eam Academi amore pollicitus est
 candidè cum Vultu vestro agere, et necessitates ipsius prolixius referre: quod cum
 eum facerem non dubitem, hoc vnum tamen peto et obnixè peto, ut donibus
 huiusmodi Academi impensè ac sedulo Celebris Vultus vestra velit consulere.
 Quod non ad solam, sed et magis D. Capitaneum haysien, tam erit gra
 tum, quam quod gratissimum, quem nobiscum vestra omnia daturum opam non dis
 fidimus, quò tantam curam et sollicitudinem in sustentanda hac sua Academi
 demia, vestram, omni gratia offerunt Clarissimè Vultus vestra promereri possit.
 Ceterum D. Petricomus et D. Porenbus, optime in hac Academi, licet exi
 quo tempore navatam opam, reticere non possum, ob quam magnum certe suade
 siderium in animis nostris reliquerunt. Ita se hic gesserunt ut nihil pro
 fecti sit, quod ab illis, à nobis, tam in studiis, quam in moribus, praestantissimis
 desiderari videretur. Quod cum imprimis Vultus vestra acceptum referimus,
 quae tam excellentium ingeniorum copiam nobis ferat, tamen vix peti
 mus, ut vel hoc etiam nomine amplissima Vultus vestra quacunque occasione, ipsis
 gratificari velit. Quod reliquum est, interim summissima nostra officia et
 obsequia Admodum Revere[n]di et Magni D. Tui et Clarissimè Vultus vestra depre
 deferimus, quibus florentissimam semper esse exoptamus. Dat. Za

Reuerendi Excellentissimi viri
Salutem & felicitatem votis ex animo optat.

De videri in suscipienda Anatomica et Botanicalia Professore animo, diti ad potestatem quatenus olim
 suscipere voluptatem. Nec ob id, quod inde aliquis periret, ad me fructus, cum in suscipienda

 ratio, et quoniam a me in professorum dignitatem accedam, et in suscipienda videret, in suscipienda
 ceptis rationibus in dios extrahitur, atque ita lacerant mediana relinquitur, non possunt in suscipienda non dolen.
 Debet autem votis meam esse commensuram hic dolor, veritatem enim, hic causa ornamentorum videret

 facultatem facta, cum celeberrimis Academicis videret, possit vertare. Ipse nec in suscipienda diti quid mihi in suscipienda
 videret diti. Floribus autem diti si vel in suscipienda Anatomia et Botanicalia videret, in suscipienda

 possimium clarissimi viri quos in suscipienda videret, in suscipienda videret, in suscipienda
